Tutorials

The screenshot shows a digital interface for a medical terminology tutorial. At the top, the title "BLOOD & LYMPHATIC SYSTEM" is displayed in a large, purple, 3D-style font. Below the title, a large purple sphere with the letters "UAA" inside is positioned on the left. To the right of the sphere is a vertical list of five menu items, each preceded by a small colored circle: "Overview" (orange), "Signs & Symptoms" (pink), "Diseases & Disorders" (light blue), "Treatments & Procedures" (green), and "Disease Terms" (yellow). A speech bubble containing the text "Hypertext Navigation" is located to the right of the menu items. In the bottom right corner, the text "MA 101 - Medical Terminology tutorial" is visible. In the bottom left corner, the word "Resources" is written in a small font.

A graphic of a Jeopardy! game board. The title "Jeopardy" is written in large yellow letters at the top. Below it is a grid of 5 columns and 6 rows. The columns are labeled "Heading1" through "Heading5". Each cell in the grid contains a question worth a certain amount of money, indicated by "Q \$100", "Q \$200", "Q \$300", "Q \$400", or "Q \$500". The amounts increase from top to bottom in each column. A "Final Jeopardy" box is located in the bottom right corner of the grid.
